

Lighthouse (L/HEMINI200R)

Elite Mini Slimline Rechargeable LED Torch 200 lumens

The Lighthouse Elite Mini Slimline Rechargeable LED Torch features the latest technology in portable lighting, allowing an extremely bright light to be encased in a lightweight compact unit. It produces a bright 200 lumens with a 30m beam distance. Three output settings are available, including a solid white dimmable light, a solid red, or a strobe red light. The clever design pocket clip allows the torch to be attached to clothing or a belt, whilst the rear-facing recessed slot allows fixing to a substrate via a screw. A strong magnet in the base enables the torch to be fixed to metalwork. An ideal companion for all trades and around the home or car. Supplied with a USB charging lead.

Specification: Brightness: 200 lumens Beam Distance: 30m Run Time: 1.5 hours Light Source: COB LED Battery: 3.7V 500mAh Li-Polymer Charge Time: approx. 2 hours Water Resistant: IP64 Impact Resistant: 1m Dimensions: 123 x 25 x 12mm Weight: 37g

Battery	Max. Lumen Output	Battery Supplied	Life (Hours)
Li-Polymer	200	Yes	-
